Aierqia

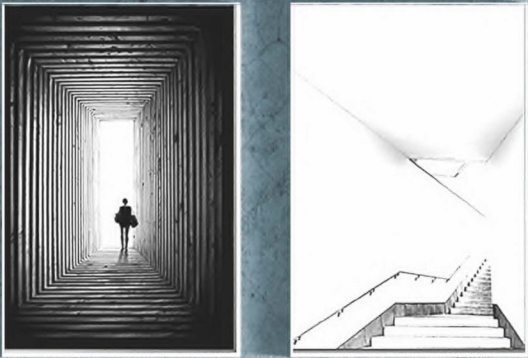

Aierqia Series combina o efeito do mecanismo de grão de pedra grossa com a forte sensação de ébano, o que aumenta levemente a atmosfera formal e séria do estilo do escritório. O processamento de borboleta da mesa quebra o equilíbrio convencional e produz um novo equilíbrio ao mesmo tempo.

David

A colisão do misterioso Mediterrâneo e o estilo simples revelaram a vida refinada do gosto elegante.

A atmosfera acolhedora da vida é tão adequada ao espaço de negócios que o ambiente do escritório pode se tornar uma espécie de prazer agradável e atmosfera humanizada.

Ambiente de escritório simples para requisitos de produto cada vez mais elegantes. O nascimento da série Toma do ambiente moderno de escritórios para criar uma nova altura estética. Sua aparência fina, estilo elegante e requintado, e em seguida a mistura e combinação das cores dos elementos, mostram uma elegância única.

Toma

A Toma seleccionou uma série de espécies de madeira preciosas. As árvores da Noruega como o principal folheado de madeira, a árvore da Noruega como um acabamento de madeira de cor clara e, em seguida, as cores preto e branco, proporcionando a simplicidade e pureza do design.
